For many years Shannon has leased our corner lot at Oakes and Beauregard for parking for the Pharmacy, and other clinic parking. Several months ago, they approached the Trustees to either sell them the lot, or enter into a new lease in which they would make improvements on the lot to service a proposed Oncology building.

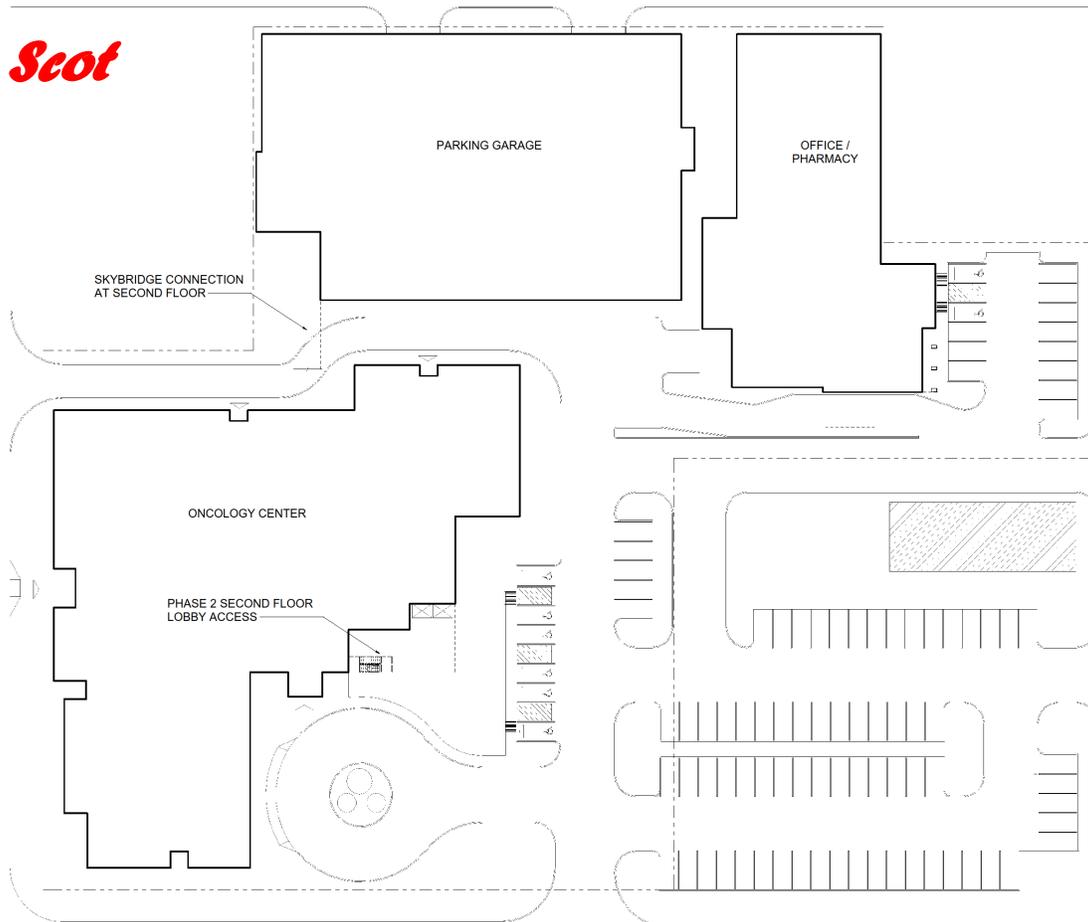

The Trustees considered the matter and decided it was in our best interest to retain ownership of the lot, but put together a Lease Committee to review the matter and ensure our rights were protected in the agreement. Like the previous agreement, Shannon will use the lot for parking Monday through Friday during the day and we will have use for our primary services and we have also negotiated to ensure parking for funerals and events.

Shannon will continue to pay the lease price as they have been doing for years, but they will also at their expense, in exchange for a "First Right of Refusal" should we ever sell, make significant improvements. This will include making the lot one level and completely repaving and redeveloping the lot. They have provided us a site plan and you will see that there will still be an entrance from Oakes Street and ample parking.

We will be inconvenienced whenever the work takes place but this will also improve our parking area that was beginning to need attention. The Trustees have taken this matter very seriously and the sub-committee which involved advice of others representing Real Estate; Legal and former key Church Leaders have represented the congregation well.

I look forward to when this work is completed and a great relationship with our neighbor Shannon Hospital.

The Finance Committee voted in December to pay off the balance of the loan owed to Endowment for the purchase of the second parsonage currently lived in by Pastor Kristie Crisp and Johnnie.

Think about this, we purchased the parsonage for \$255,000 in December 2018 with a gift from Endowment of \$55,000 and a \$200,000 loan from them and exactly two years later, December 2020, we were able to be debt free! This is a job well done by you the congregation and special thanks to the Finance Committee and Chair Ed Yale for their hard work.

### **BUILDING A RAMP! January 23<sup>rd</sup>**

FUMC is getting good at building accessibility ramps for homes! The last project in January was a huge success. The work was organized through the *Texas Ramps Project*, a non-denominational, non-profit organization that builds ramps for people who can't afford them. FMI visit [www.texasramps.org](http://www.texasramps.org). The workday lunch was greatly appreciated, and was provided by a wonderful team led by Karen Clark.

The FUMC work team hopes to continue building ramps, so if

you're interested in assisting with builds or with lunch, please contact Pastor Dale or Sherrie Walker in the Church Office, and watch for more information.

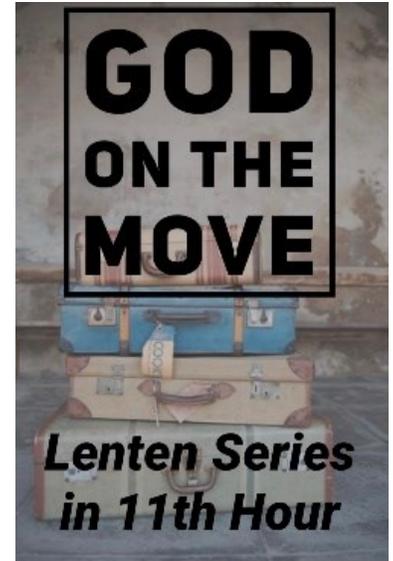

## **Pastor Kristie Crisp**

[kcrisp@riotx.org](mailto:kcrisp@riotx.org)

First Church Family,

I want to thank everyone of you for continuing to be *The Church* in the midst of such crazy times! I believe we are called to be the hands and feet of Christ now more than we have in many, many years. With so many people hurting and in need, we have a great responsibility in all we do and say, to point to Christ and be His representatives here and now. It is my hope and belief that this church will continue to allow God to work through us and beyond us so that all will see that God is still on the move in San Angelo.

The teaching and belief that we can see “*God On the Move*” is what we will focus on this season of Lent in 11<sup>th</sup> Hour, beginning Sunday, February 21st. We will use this time of Lent to explore God’s work through the travels and teachings of Jesus; we will see how God has Moved and continues to Move even now. I pray that this season of Lent will give us a renewed sense of curiosity and wonder about the movements of God.

Your Sister in Christ,

*Pastor Kristie Crisp*

*Congratulations to Pastor Kristie who has now been approved for commissioning and will now move forward in the ordination process!!!*

# Somebody's Rusty

## Tidings of Last Tuesdays

Items can be left in the office

Candis is recovering from a recent hospitalization (not COVID) and therefore **Somebody's Rusty** has had to halt some events until she is back on her feet!! HOWEVER, donations are still being accepted and the Blessing Box is in dire need of being filled!!! Your helping hands are truly appreciated. Feel free to drop off items in the office and fill the Blessing Box whenever you can.

### FIRST FRIDAYS @ THE SOUP KITCHEN

First Family & Friends volunteer to cook and serve every first Friday of the month at the Daily Bread Soup Kitchen between 9-2. If you would like to help in some way on **February 5th**, please contact Beth McCrea ([edgemama@hotmail.com](mailto:edgemama@hotmail.com)) or the Church Office.

**The next date is: Friday, FEBRUARY 5**

2020 was a year of chaos and confusion for many, myself included. This has led me to think about my job as a Wesley Nurse. Normally I would hold face to face classes and presentations on health and wellness or schedule appointments in my office to get to know my patients and help meet their needs but with COVID19 this is no longer the case. Now I meet patients outside, in parking lots, do virtual meetings, or phone calls. With that being said I want to continue to meet the needs and provide information that would improve health and wellness. So each month I will be sharing a small bit of health information as well as any on-going or new programs.

**Good Nutrition from Head to Toe**

**By Lesa Parry, RN**

Food and Health, Prevention

The food you eat affects every living cell in your body. From providing energy to padding organs, we need food for every part of our bodies.

So, if you're looking for good health, try eating from head to toe...

**Brain:** Grains fuel your brain with complex carbohydrates.

**Eyes:** Leafy greens like spinach are full of lutein, which helps prevent macular degeneration.

**Teeth:** Dairy products provide calcium for strong teeth.

**Skin:** Fruit provides vitamin C to make collagen that promotes skin elasticity.

**Bones:** Leafy greens provide vitamin K, known for bone health.

**Heart:** Oranges are high in potassium, which can help lower blood pressure.

**Lungs:** Green leafy vegetables like kale contain multiple nutrients that may help prevent lung cancer.

**Gallbladder:** Oats help bind bile to prevent cholesterol production.

**Liver:** Fruit provides a variety of antioxidants to protect your liver.

**Kidneys:** Water helps your kidneys flush out waste products.

**Stomach:** Citrus fruits and vegetables may inhibit H pylori growth, a cause of ulcers.

**Pancreas:** Green vegetables like broccoli have antioxidants to protect your pancreas.

**Small intestine:** Yogurt contains probiotics to keep good bacteria healthy.

**Large intestine:** Beans provide fiber to aid laxation.

**Muscles:** Eggs and other high-protein foods provide the building blocks for strong muscles.

**Legs/Feet:** Nuts and seeds contain magnesium and potassium to prevent leg cramps.

Follow this guideline and you'll be able to say! "I feel great! From my head to my toes."

**CPS and SHANNON MEAL DELIVERIES**

***Amazing Teamwork!***

You may not realize this, but these two teams work tirelessly behind the scenes to take food to those in need.

Through a partnership with Child Protective Services, *FirstFamily* takes meals to children under their temporary care. Oftentimes the kids stay at a hotel or at the CPS Office where their supervisors cannot cook meals. Volunteers from the church take a hot meal to them nightly once the need is identified and until the child is placed in foster care. Sometimes the team rallies to help a child celebrate a birthday or assist with other needs. The church also keeps the freezer stocked at the CPS office, as sometimes children arrive during off hours. Please say a special thank you to these team members: Stacie Elkins, Karen Clark, Beth McCrea, Brenda Stone, Laura Malloy, Ofelia Gonzales and Trudy Bozeman.

The church also supplies three volunteer drivers daily to deliver prepackaged meals from the hospital to the homes of quarantined Covid patients. This team has faithfully delivered meals for the past five months. Please say a special thank you to these team members: Cheyenne Barden, Lisa Lesosky, Stephanie Iglar, Bubba Stevens, Hayden Stevens, Martha Dolliver, Trudy Bozeman, Brenda Stone, Gary & Leslee Bowen, Carl & Pat Schlinke, Dori Wegner, Ofelia Gonzales, Molly Walker, Evelyn Coley, Kaitlyn Brosh, and Karen Clark.

**The Sunday Morning Breakfast Team** continues to serve breakfast to the hungry every Sunday morning. **They** are serving approximately 30 people breakfast food boxes 7:00-8:00 am.

**GROCERY BOX DISTRIBUTION AT ST. PAUL'S** occurs every Saturday. Volunteers from FUMC and other volunteers provide manpower to pass out these groceries. On Saturday, November 21, over 400 families received groceries! **That equates to over 8000 meals!!** St. Paul's could always use your help!

**First Fridays @ Soup Kitchen**  
**Next Serve Date: February 5**

First Family and Friends volunteer to cook and serve every first Friday of the month at the *Daily Bread Soup Kitchen* between 9am-2pm. The "Soup Kitchen" is located at the Wesley-Trinity United Methodist Church and serves meals six days a week year round. Teams prepare food, serve, and help tidy up. To learn more about this

outreach ministry, please visit [www.wesleysoup.org](http://www.wesleysoup.org).

If you would like to help in some way with the FUMC Team on February 5th, please contact Beth McCrea ([edgemama@hotmail.com](mailto:edgemama@hotmail.com)) or the **Church Office**.

**Food Boxes** are placed throughout the church and in the church office.

You are invited to share items that can be made available to hungry people who come to the church for help. Items that are nonperishable and easily used and carried are requested. Methodist Assistance strives to meet the requests received by keeping a well-stocked food pantry. Your contributions are always welcomed.

**If you or someone you know needs help or could use food, please don't hesitate to contact the church office: 655-8981. There are a lot of resources available to help.**

**Classroom Modifications Underway:** As the pandemic continues, it is becoming obvious that we need to modify several of our adult classrooms to make live streaming a more user-friendly option. We are very excited about getting things up and running and people trained, which is expected to happen very soon. Each classroom is being modified and we are close to completion!

## Morning Glories

### Upcoming Lent Study

Pastor Kristie will lead a Lent study for the *Morning Glories* group using **Marjorie Thompson's book "Forgiveness"**. Lent, a time to reflect on our Christian journey, is an appropriate time to deepen our understanding and practice of forgiveness. The study will be offered live (Cheers Classroom) and via Zoom, starting **Feb. 16**.

Books are \$11. Please contact Lori Francks ([lfrancks@hotmail.com](mailto:lfrancks@hotmail.com)) or the Church Office FMI.

### **New Session of GriefShare—But You are still welcome to come! Started Monday, Jan. 25**

This 13-week, Christ-centered support group is for people who have lost a loved one. The group meets weekly and will help you face challenges and move toward rebuilding your life.

Each session features three parts: A video presentation on topics like comfort, answers and hope, support group discussion with focus, and personal study and reflection.

These sessions are held on Mondays at 5:30pm in the Journey Classroom (Zoom access available), and it is being led by a team of trained, caring people who have also experienced personal loss.

If you or someone you know might benefit from this type of support, please contact Lori Francks at [lfrancks@hotmail.com](mailto:lfrancks@hotmail.com) or Sherrie Walker in the Church Office. To learn more about **GriefShare**, please visit: [www.griefshare.org](http://www.griefshare.org).

2021 is definitely underway for the Youth. Sunday School has dived deep into the Gospel of Mark with some great discussions following the video. Our youth also started the new year off with choosing words to live by this year. Forget about resolutions; those never last. But having a reminder of their word posted in the basement, has really seemed to make a difference so far. This year has already been so fulfilling with lessons, games, and a service project.

February has a lot in store for our youth. We will be heading to Camp Eagle on **February 5-7** for a Spirit-filled, Jesus centered weekend. On **February 14th**, the Family Faith Formation team has planned a very fun Valentine's dinner and have asked for the youth to be in charge of the dinner. Make sure to come enjoy some yummy spaghetti cooked and served by our very own youth!

A few days later, **February 17 at 6 pm** will be our youth-led **Ash Wednesday service!** Our youth will be performing every single part of this service, which will include singing, prayers, scriptures, reciting a poem, and even the message. This is definitely a night you won't want to miss out on.
